SOLVIX

SC-EXT

IR MODULE

IR Control Module

FEATURE

• IR Learning Function
• IR Output Function
• USB Power Check Possible

FCC Certification
FC

MIDI MODULE

MIDI Control Module

FEATURE

• Controlling Devices Via MIDI (Digital Mixers, etc.)
• Expandable Up to 250 Units

FCC Certification
FC

PAD MODULE

Dual Pad Control Module

FEATURE

• Connecting two touch control pads
• Maximum distance 100ft

FCC Certification
FC

PROTOCOL MODULE

Protocol Conversion Module

FEATURE

• Protocol Conversion
• Provides Communication Setup Protocol
• Expandable Up to 250 Units

FCC Certification
FC

TCP MODULE

NETWORK Control Module

FEATURE

• Convert TCP/IP signal to RS-232/RS-485
• Sensor input, contact output
• Communication speed setting

FCC Certification
FC

USB MODULE

USB Control Module

FEATURE

• USB ⇄ RS-232 / RS-485 Automatic Conversion
• Operation regardless of communication speed
• DC 5V can be used for external devices

FCC Certification
